Pearson PowerSchool for Students app for TPS iPad Setup

PowerSchool for Parents and Students is a free iTunes application that allows parents and students to see live attendance, assignments, scores, and grades from their iPhone, iPod touch, or iPad with iOS4 or higher.

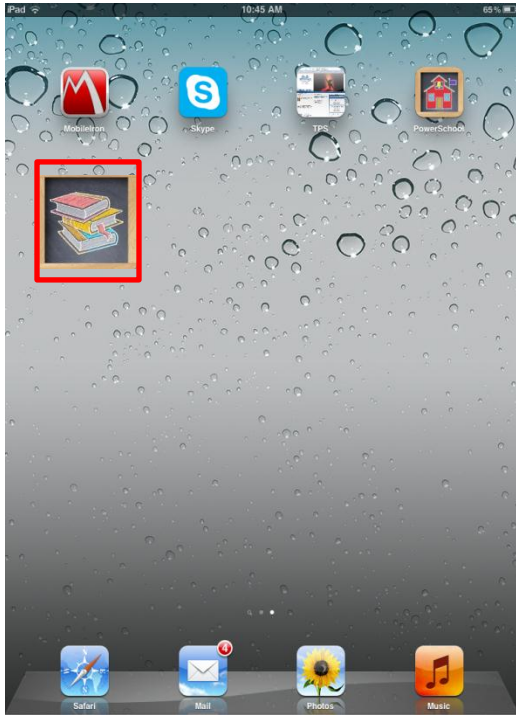

1.

Search iTunes for *PowerSchool for Student App*

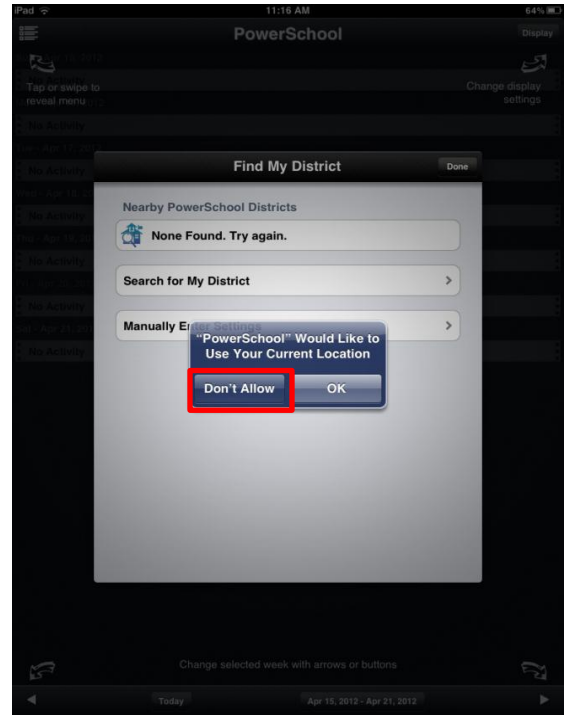

2.

The PowerSchool for Student App will appear on the front screen of the mobile device. **Touch the icon to launch.**

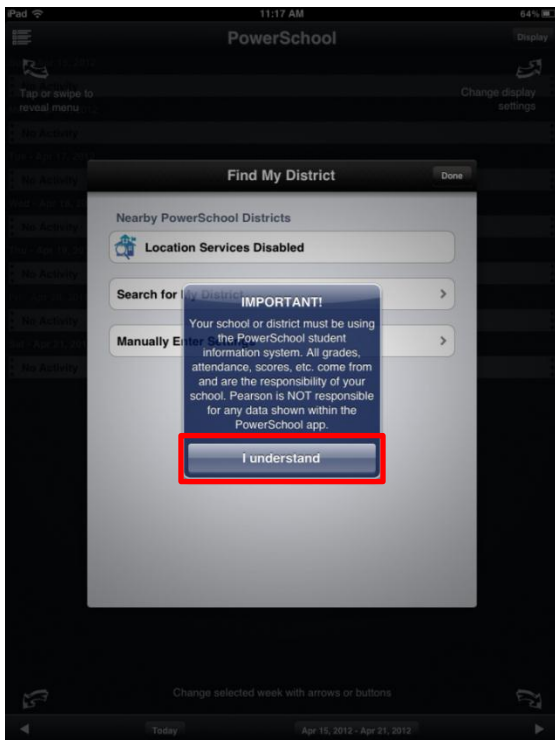

3.

“PowerSchool” Would Like to Use Your Current Location – Don’t Allow

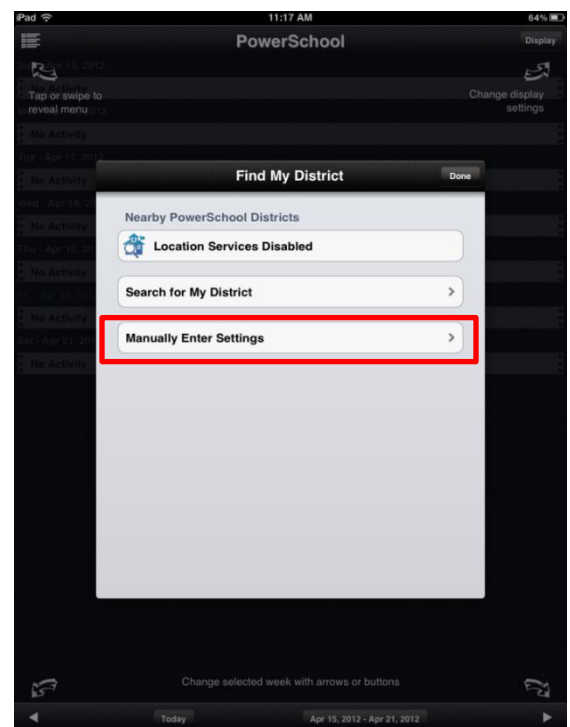

4.

An important disclaimer will appear from Pearson after launching the app. **Select I understand.**

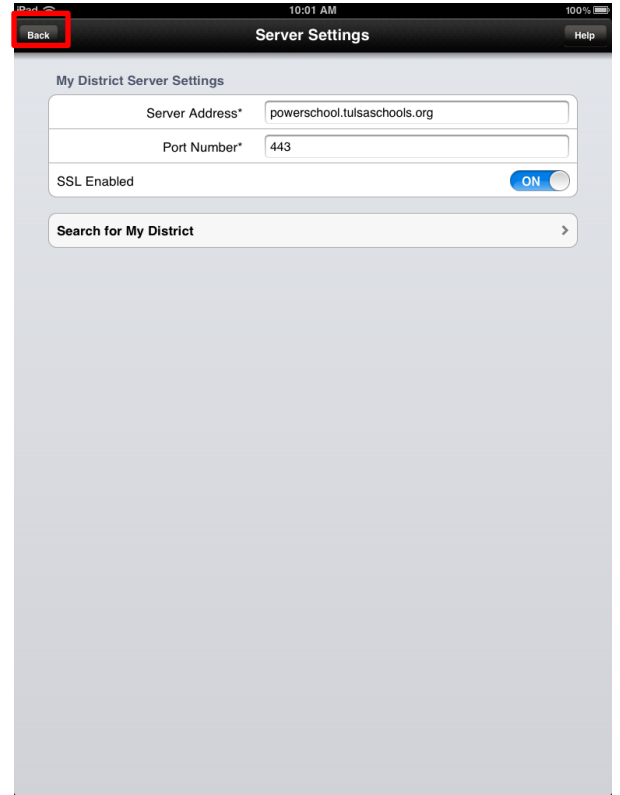

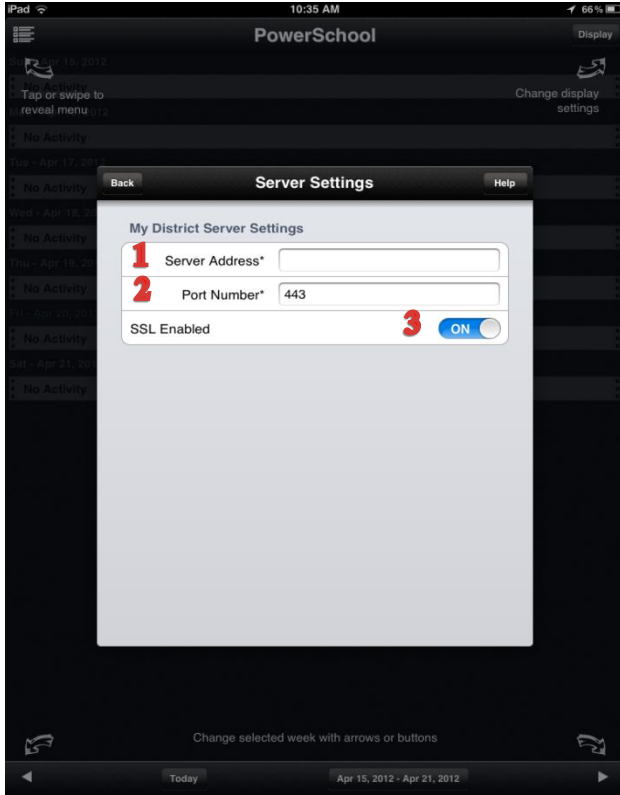

5.

Touch the option to **Manually Enter the Settings.**

- 6.
