## Pearson PowerTeacher app for TPS iPad Setup

### Settings:

#### Access PowerSchool APP

- Choose Settings
- Choose Server
  - Server Address: powerschool.tulsaschools.org
  - Port Number: 443
  - SSL Enabled: On

Once you have completed the above settings select login at the top of the settings page.

- Go back to Login screen
  - Enter your username & password
  - Choose Find School
  - You should see a list of schools
  - Select your school
